Dietetic Consultation Terms and Conditions & Fee Structure

This is a simple guide to my T & C's and fee structure. **Please read carefully before you come to your first consultation.** I ask that you commit to the initial package of 3 consultations and then further consultations are agreed at the end of the third consultation.

The average number of consultations usually needed are 6, over approximately 6 months. However some clients may need more or less depending on their circumstances and goals.

Initial package: up to 90min first consultation and 2 x up to 60min reviews

Review consultations: usually are 60mins

If any appointment runs over it is charged for every 30mins over.

Failed appointments/cancelled appointments within less than 7 days' notice are subject to full consultation fee and are none refundable.

Arriving late: you will still be charged for your full appointment time.

Case studies: from time-to-time, I reference patients' results as case studies. I never identify any patient by name. The only reason this is done is to highlight the importance of having evidence-based research and showing my results based nutritional advice. If you specifically have an issue with this, please make me aware prior to consultation.

Payment method:

All payments must be made by BACS Transfer 7 days prior to the first appointment. On receipt of payment the appointment will be confirmed.

Fresh Nutrition, Barclays Bank, sort code 20-55-41, acc. No.80016810,
Please reference your name and appointment date to the transaction.

**Clinic rooms address: St George’s Multi-Therapy Centre,
 50 St Georges Rd,
 Bolton, BL1 2DD.**

I certify that the information provided on this form is accurate to the best of my knowledge. By signing this form and booking an initial nutrition consultation, it is implied that I agree to these terms and conditions.
